A screenshot of a software activation keygen interface. At the top, there's a banner for "X-FORCE" with the text "Autodesk 2016 products". Below this, there are fields for "Request" and "Activation" codes. A "Generate" button is highlighted with a blue arrow. Below the buttons, there's a section for "Product: Autodesk AutoCAD 2016" with fields for "Serial Number", "Product Key", and "Request code". A red arrow points from the "Request" field to the "Request code" field. Below this, there are two radio button options: "Connect now and activate! (Recommended)" and "I have an activation code from Autodesk". The second option is selected. Below the radio buttons, there's a grid of 16 input fields for the activation code, with a "Clear All" button below them. At the bottom, there's a large watermark "www.amjadsoft.com" with a blue arrow pointing to it. The interface also includes a "Close" button and a "next" button.
